

Stud Service Contract:

Australian Shepherd Stud Dog:

Name: 2RCoolmoorSunfire No Quarter Given – "Degen"

AKC# DN36786409

ASCA# E182591

OFA# 1779228

CERF# 409934 / June 24, 2017

is hereby contracted for the following bitch:

(name) _____

AKC# _____ ASCA# _____

OFA# _____ CERF# _____

Bitch Owner/Lessee to provide a four generation pedigree prior to breeding.

Under the following terms:

1. The fee of \$1,200 for the stud service is payable at the time of service or under the terms as follows:
 - Half (\$600) payable at time of service, remaining half (\$600) payable at time of whelp
 - Stud Dog Owner reserves the right to select from the males of the litter in lieu of a stud service fee. This decision will be made prior to the pups turning 8 weeks old. If a puppy is selected, it will be registered using "2R" as part of the dog's registered name.
2. The bitch owner agrees to have the bitch completely devoid of all fleas, ticks, and internal parasites when she enters the Shepherds Glen kennel premise. She must have received her rabies, distemper, parvo, and bordatella vaccinations and be current or titered. Prior to breeding the owner of the bitch shall have performed the following veterinary procedures prior to the breeding:
 - Clear Brucella test (results no more than 60 days old)
 - OFA or PennHip
 - Current CERF exam
 - DNA results for the Hereditary cataracts
3. A later return service is available to the same bitch in a later heat, to the same stud dog, if two or more puppies do not result from this breeding. If no repeat service is requested, the initial payment of \$600 will be refunded. The following veterinary procedures might be requested if the bitch has a history of failure to conceive:
 - Normal Aerobic cervical (high vaginal) culture and sensitivity
 - Clear Brucella test
 - Normal Thyroid (T4) test
4. All transportation charges are the responsibility of the owner/lessee of the bitch. If applicable, additional charges for board and transportation of the bitch shall be charged at the following rates:
 - Boarding charges are waived for the first ten days. Any additional days at \$10.00 per day.
 - Transportation to/from the Atlanta International airport at .50 per mile/per trip.
 - Bitch owner/lessee is liable for any additional veterinarian expenses warranted, including but not limited to artificial insemination and progesterone testing.
5. Additional considerations concerning this breeding are as follows:
 - No pup shall be euthanized due to color, sex or lack of trim
 - Stud dog owner shall be supplied with photos of each pup born within 24 hours of their birth.
 - All companion (non-performance/non-show) pups shall be sold with spay / neuter contracts.
